

2022 Stock Compact King Of The Ring!

These rules are plain and simple, cut and dry!!! What is said below is exactly what you can do and nothing else. Don't try and do anything else cause most likely you will just be loaded!

Car must be stripped of all internals and outside plastic as well as all windows. Dash may stay in the car.

NO CARB CONVERSIONS! Motor must be from factory to that car. No swapping.

Factory steering, peddles, shifters, cables etc must be to that car no aftermarket stuff.

Roof Sign Required

No Body Shaping (AUTOMATIC LOAD IF YOU DO)

NO Prerans **(FWD CARS ONLY) 4 or 6 cyl cars only! 110 wheelbase and under!**

Header ok to use.

CAGE

Full 4 point cage may be applied to your car for drivers safety must be floating (MINIMUM OF SEAT AND DRIVERS DOOR BAR) 3x3 material no bigger. Tank can be mounted to back of cage bar or bolted through floor. IF IN FRONT OF REAR AXLE CAN BE LEFT UNDER CAR.

2 front windshield bars must be added. 9 wire, 2x2 straps, chain

DOORS, HOOD, TRUNK

Drivers door may be welded shut. Every other seam can have 3 spots of 9 Wire double wrapped. or chain

Hood and Trunk must have 12x12 hole in them.

No duck tape on doors

BUMPERS

Any automotive bumper is allowed no replicas! Or you may run a piece of 3x3 1/4 wall tube as a front bumper.

BUMPER BRACKET

You can have a 12 inch bumper bracket 3 inches wide ¼ in thick. Or you can run 12 inches of square tubing in frame. **If you run tubing in frame you must have a ½ inch inspection hole 12 inches from front of frame rail. If there is not a hole you will load no questions.**

TIRES

May run any tire on the front. Rears must be donuts no forklifts.

King Of The Ring Rules.

All drivers draw number at drivers meeting.

First 2 cars start on track 1 on 1 for 45 seconds NO SANDBAGGING!

We will then let one more car in every 45 seconds to 90 seconds until all cars are on track. If we have too many dead cars on track we will remove some upon officials decision.
